The Shortened High School Program consists of English, Literature, Government, Economics and Human Anatomy. The cost of this program is \$1,225.00 and this covers the cost of the curriculum, the teacher's work in grading the assignments and the teacher's help to the student if needed. I understand that I can complete this work in just a few months but I can take up to twelve months if desired. I understand if I do not turn the work in within twelve months, I will be dropped from the program. It is my responsibility to make sure the completed work arrives to the school. so I should send it via UPS or FedEx or if I use the U.S. postal service, I should have some tracking service provided to ensure the package will arrive. If I decide to pay on the payment plan mentioned above, I understand I will be dropped if payments are not kept current and up to date. (\$400.00 down and then \$200.00 per month until the balance is paid in full.)
