## **Cost of the Traditional Extension Program for PLANO HOME SCHOOL ACADEMY**

If you want to enroll in Plano Home School Academy, grades 4 – 8, and be on the Traditional Program, where the teacher helps the student when needed and grades the work, the cost for this program is \$2,345.00 IF WE ARE PROVIDING THE BOOKS. The tuition is \$1,800.00 and the textbooks cost \$545.00 with shipping.

There is another way you can save money on this program! If you want to search for used textbooks, rather than getting all new textbooks from our school, you will pay only the tuition, which is \$1,800.00. We will provide you with the ISBN numbers and names of the books and you can buy used textbooks online. If you are unable to find any of the books, you can always get them new from us, but most parents are successful and can find our textbooks used, online.

If you need a payment plan for either route you go, the \$2,345.00 plan requires \$745.00 down payment (certified check) and the balance is paid out at \$160.00 per month. The \$1,800.00 plan requires \$300.00 down payment (personal check is fine) and the balance is paid out at \$160.00 per month.

Please send the completed application and the check to:
